## CONSTRUCTION NOTICE

**Dear Residents of the Town of Munster:**

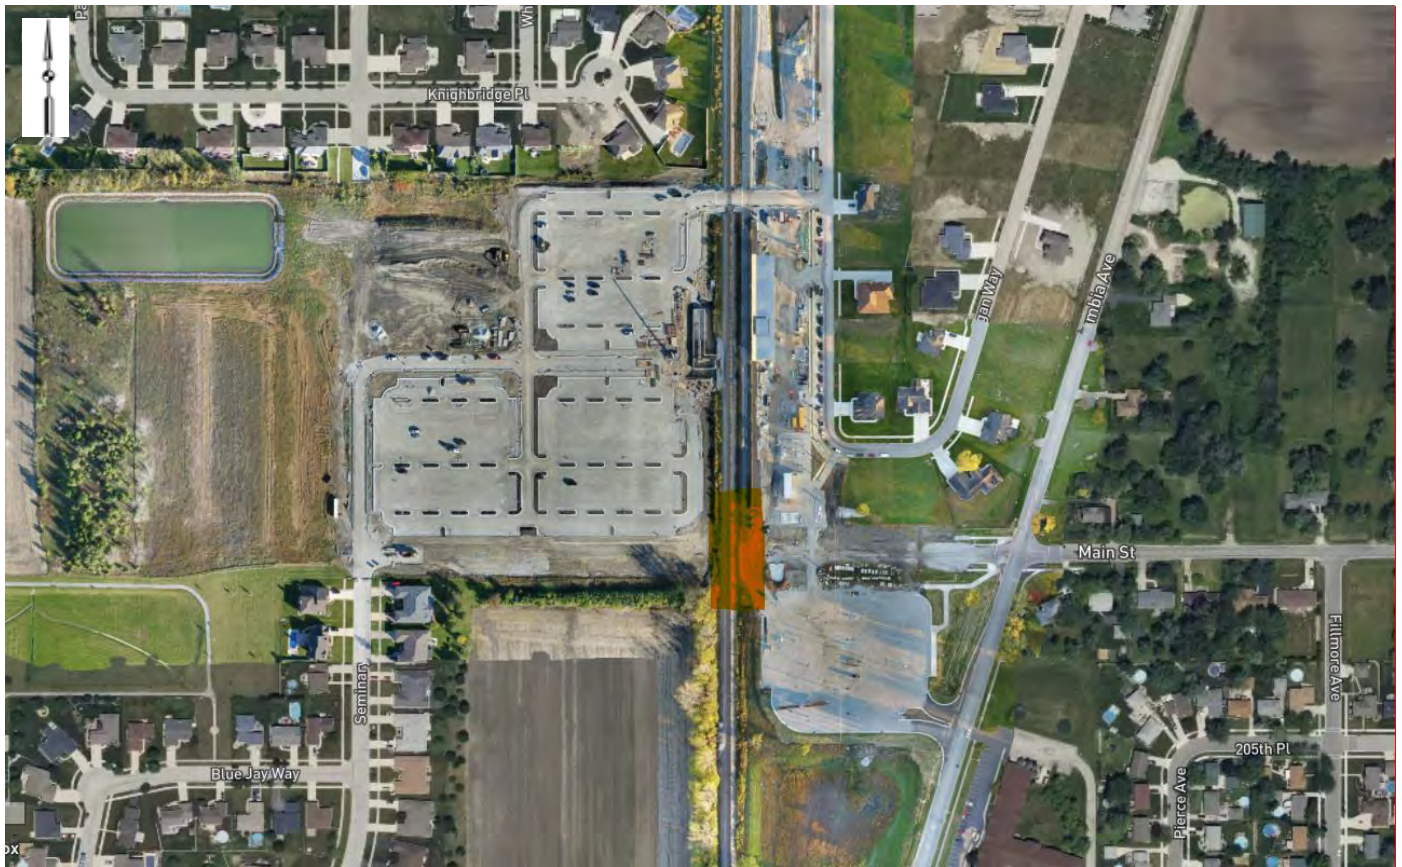

The FHP/RB JV will be installing H-piles using pile driving equipment at the CSX track near the intersection of Main St and Sheffield Ave **from Tuesday (12/03/2024) through Friday (01/31/2024) weather permitting.**

The intent is to conduct this scope of work with minimal impact to residents.

The pile driving equipment will generate loud noise between the regular work hours of 7am to 7pm CT on Monday through Saturday.

This scope of work will also require CSX Railroad outages that can only be provided at off-hour times.

We apologize in advance for any inconveniences.

The red area depicts the location of the pile driving scope of work

If you have any questions, do not hesitate to contact us.
